## THERE'S A SONG IN THE AIR

There's a song in the air!  
There's a star in the sky!  
There's a mother's deep prayer,  
And a baby's low cry!  
And the star rains its fire  
While the beautiful sing,  
For the manger of Bethlehem  
Cradles a king!

There's a tumult of joy  
Over the wonderful birth,  
For the Virgin's sweet boy  
Is the Lord of the earth.  
Aye! the star rains its fire  
While the beautiful sing,  
For the manger of Bethlehem  
Cradles a king!

In the light of that star  
Like the ages imperish,  
And that song from afar  
Has swept o'er the world.  
Every heart is aflame,  
And the beautiful sing  
In the homes of the nations  
That Jesus is King!

We rejoice in the light,  
And we echo the song  
That comes down through the night  
From the heavenly throng.  
Aye! we shout to the lovely  
Evermore they bring  
And we greet in his cradle  
Our Savior and King.  
—Josiah G. Holland.

### Chamberlain's Cough Remedy.

Now is the time to lay in a supply  
of Chamberlain's Cough Remedy. It  
is almost sure to be needed before  
the winter is over. You will look a  
good while before you find a better  
remedy for coughs, colds, croup and  
whooping cough or one that is more  
pleasant to take. It meets with favor  
everywhere. Buy it now and be  
prepared.—Adv.

### A Christmas "Suppose."

We would not change the children's  
Christmas. But suppose all the grow-  
ing people were to say to one another:  
"This year, instead of my giving you  
a present and your giving me a pres-  
ent, let us all together and give our  
present to some poor child who will  
not have any Christmas. There are  
hundreds of them somewhere. Or, if  
we do not know of such a child, let us  
give our present to a hospital for chil-  
dren, a home for crippled children, for  
incurables, for the aged, the blind, the  
feeble-minded." This to be, of course,  
in addition to what we usually give  
to charities at this season. Why could  
we not try this as an experiment, and  
see what the result would be?—Chris-  
tian Register.

### Good Advice.

Take Chamberlain's Tablets as soon  
as you have finished your supper and  
they will produce a gentle movement  
of the bowels on the following morn-  
ing. They will also improve your  
digestion and make you feel better  
in every way.—Adv.

### A CONVENIENCE.

"So you think the Santa Claus myth  
is a good thing?"  
"Yes, it's a great convenience to  
have some imaginary person to take  
the responsibility when the children  
are disappointed Christmas morning."

To relieve rheumatism, sprains,  
lame back, lumbago or pleurisy, Bal-  
lard's Snow Liniment is a remedy of  
proven merit. It is very powerful and  
penetrating. Three sizes, 30c, 60c,  
and \$1.20 per bottle. Sold by Fus-  
on Drug Co.—Adv.

### JUST BEFORE CHRISTMAS

It's awful nice to be a now,  
But wait till Christmas's  
past.

## America Means Salvation to These Little Ones

The European Relief Council, which seeks to raise \$25,000,000 at the  
Christmas season, has been formed for the purpose of throwing the entire  
charitable energy of the United States into the vital task of providing food and  
medical assistance to 2,000,000 children in eastern and central Europe this  
winter. Representatives of eight great relief organizations, working inde-  
pendently, gathered overwhelming evidence that the plight of these unfortu-  
nates should take precedence in world charity until they are saved. The  
co-operating agencies which form the Council are the American Relief Admin-  
istration, the American Red Cross, the American Friends' Service Committee  
(Quakers), the Jewish Joint Distribution Committee, the Federal Council of  
the Churches of Christ in America, the Knights of Columbus, the Y. M. C. A.  
and the Y. W. C. A.

## Heart-Breaking Smiles

There are thousands of kinds of smiles, but it would be mighty hard to  
picture even in the mind's eye smiles more poignantly tragic than those here  
seen. Two years of life have held little save misery for these Vienna young-  
sters, yet, even though the result is painful, they smile. They are victims of  
rickets, the offspring of near-starvation, and that countless others in stricken  
Europe may not have to share their fate eight American relief organizations,  
under the name of the European Relief Council, are making a joint appeal for  
the conscience of America to complete relief work which this winter faces its  
crisis. These agencies are the American Relief Administration, the American  
Red Cross, the American Friends' Service Committee (Quakers), the Jewish  
Joint Distribution Committee, the Federal Council of Churches of Christ in  
America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A.

## Children at the Bread Kitchens

Three and a half million children in eastern and central Europe wait, gaunt  
and pinched like these, at the American kitchens for the hot soup and bread  
that mean life to them. In the winters since the Armistice, America has been  
the one friend that had food to give them. It is a common sight in Europe  
today to see a child five or six years old whose head has not healed. With a  
healthy well fed baby the skull should close before two years. America must  
see these children through the rigors of another winter, and to that end eight  
great relief organizations have combined into the European Relief Council.  
They seek to raise \$25,000,000 to save this generation of Europe from death by  
starvation and the diseases that come with under-feeding.

## New Young Americans Learn of Nation's Obligations to Them

Twelve thousand women from all parts of the country travelled to Marion  
to hear Senator Harding's noteworthy address on social justice in which  
he proposed a Federal Department of Public Welfare to function in defense  
of maternity, childhood and public health. Here is seen Senator Harding  
and Mrs. Harding surrounded by a group of girls of foreign parentage from  
Chicago, who sang America as part of the ceremonies.

### Protect Your Skin Against Sunburn

What is more painful than a  
bad sunburn? There is nothing  
that comes so near taking the  
joy out of an overland automobile  
trip, a fishing excursion or an  
afternoon swim, as to discover at  
the end of the day that you are  
badly sunburned. An applica-  
tion of OZO NOL takes the fire  
out and cools, soothes and relieves  
the pain in a few minutes. Try  
it. A better plan is to apply O-  
ZO NOL to the face and exposed  
parts and dust a little talcum  
over it before going out, which  
will aid materially in protecting  
the skin. Ozo-nol keeps your  
skin soft and in a healthy condi-  
tion. Your vacation outfit is  
not complete without it includes  
a jar of OZO NOL. At all drug  
stores.—adv.
